It is customary in the Editorial to give a resume of the School's activities inside and outside the Classrooms.

We have done justice, we hope, to all these matters in the School Notes, and are therefore devoting this space to two matters of the greatest importance.

First, the "Robert Valentine Harvey" Chapter, I.O.D.E.

It is most pleasing to all of us to learn that the Daughters of the Empire of Victoria are desirous of forming a new Chapter to commemorate the good works of our beloved late Warden, Capt. R. V. Harvey.

All O.B.'s and all who knew Captain Harvey will be delighted. We are most grateful to the I.O.D.E. for wishing to perpetuate his name. Mrs. Barnacle was approached and asked to organize the Chapter.

Success is already assured, and the "Robert Valentine Harvey" Chapter, I.O.D.E., will be duly formed in the Harvey House on June 27.

Mrs. Barnacle has been invited to be the Hon. Regent. Capt. Harvey's two sisters, who live in England, desire to become life members.

Will any parent or friend who wishes to become a member of this Chapter apply to the Secretary, Mrs. Summerhill, R.M.D. No. 4, Victoria, B.C.

### MEMORIAL TO THE OLD BOYS

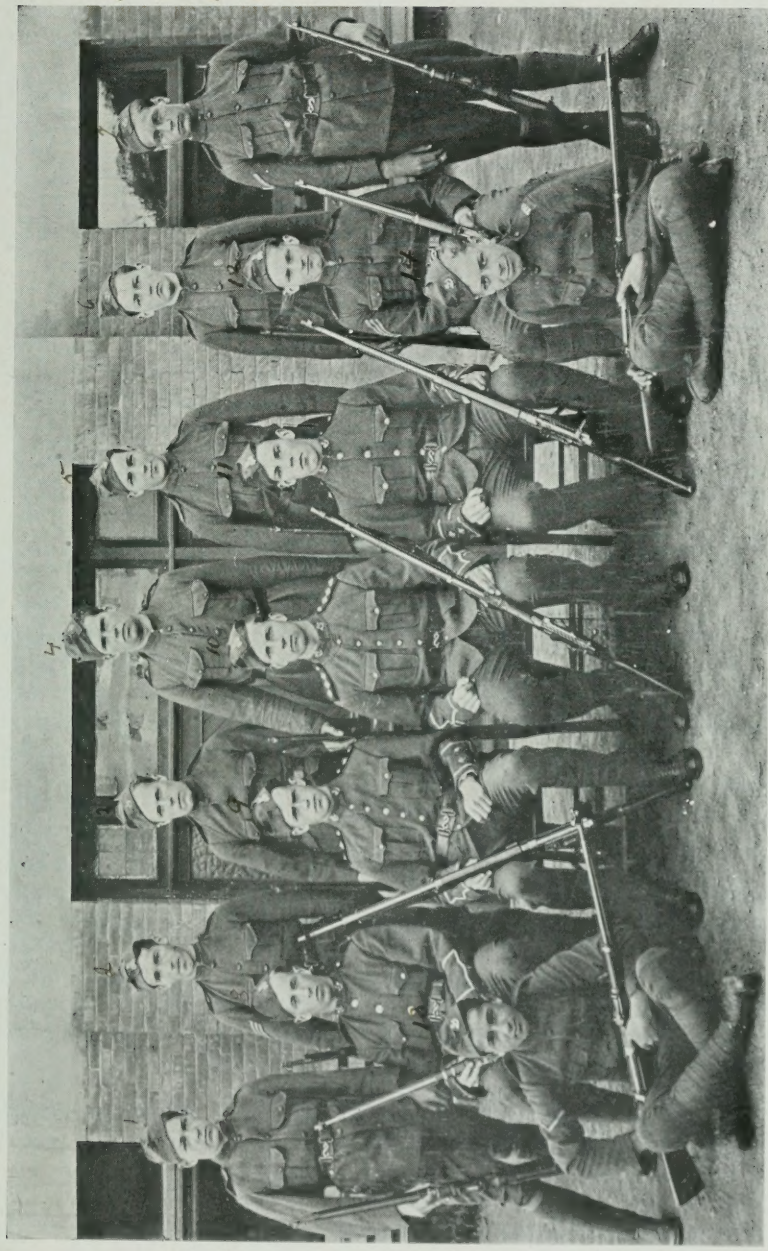

We take this opportunity of announcing to all parents and friends that it has been decided to erect a lasting memorial to our Old Boys who took part in the Great War.

It is proposed that each O.B. who gave his life shall have a small brass tablet, and that the names of all who served shall be written in gold on suitable oak panels.

THE SHOOTING TEAM, 1919 (C.R.L. Matches)

These shall be placed in the Assembly Hall, where the present and the future boys will see them daily. They will thus become a lasting memorial to those gone and an inspiration to those to come.

All who desire to assist may send their subscriptions to The Warden, the Rev. W. W. Bolton, University School.

---

The Swimming Championship of the School was again decided at the Gorge Carnival on May 24th. We have to congratulate R. B. Mathews on again winning it. Thomson was second, and Dawson third. We are grateful to Mr. Davis for his interest, and to the Carnival Committee for awarding special prizes.

---

On May 3rd a Curtis aeroplane flew over the School grounds, and caused much excitement, especially as Lieut. Brock Whitney was aboard. This "plane" has done so many flights since then that the sight is almost commonplace.

---

The "Tuck" is again doing business. We trust that it will not be abused, and that Prohibition will not become the law again. We are great believers in Moderation—in all things.

---

Sergt.-Major Watson is now resident. He has already made his presence felt. The Shooting is making great progress.

---

We have had three matches in the Canadian Rifle League series, and the results are most pleasing. If we can top off

with a record for the last match, we feel we shall be very near the top place in Canada, judging from previous competitions.

---

The Sports were a great success, and the fact that five records were broken shows no deterioration in the Boys' interest and physical ability.

---

Head is to be congratulated on his times in the Half Mile Open and the One Mile Open, doing the former in 2' 11" and the latter in 5'.

---

The Mile Open was a grand race, and the finish will be long remembered.

---

Gibson and Albert are to be congratulated on winning the Senior and Junior Championships respectively.

---

Albert is a great little all-round sportsman. We hope "his cap will never be too small."

---

Two Cricket Leagues for the Juniors of the City have been arranged.

---

Our First are in Division I., which competes for the honour of holding the Gillespie Shield.

---

The "Under 16" Team are in Division II.

---

Both Teams are doing well; in fact, the 1st Team have already won the Gillespie Shield. The 2nd Team have not lost a match yet.

---

We are glad to state that, so far, we have not been visited by our Spring friends—measles, mumps, etc., though we have had a few cases of Chicken Pox.

---

We regret the accident to G. R. Heggie, who, whilst making an exhibition Broad Jump, injured his ankle, which prevented his competing for the Championship this year. It was extremely hard lines, as he was a great "favourite" for that honour.

---

The Seniors competed in the Public School Sports at Oak Bay. We were not invited this year into the general competition. However, in the Open Events we won the Broad Jump, and  $\frac{1}{4}$  Mile, with some seconds and thirds.

---

We were leading in the Open Relay Race when, through some misunderstanding, the crowd broke in before the race was finished. Both runners stopped, and a beautiful finish was spoiled. The race was declared "null and void."

---

Some of the Examinations for which the VI. have been preparing have taken place.

---

Cochran and Hinton have to be congratulated on passing the B.C. Surveyors' Preliminary, and Ainslie Helmcken on passing the B.C. Law Preliminary.

---

The R.M.C. Examinations take place on June 9th, and the B.C. Matriculation on June the 23rd. We wish all the candidates the success they deserve.

---

Nearly all the Assistant Editors are in for Matriculation, and are therefore unable to devote much time to this Magazine. However, we hope that the new blood will rise to the occasion and help to produce something up to the usual standard.

---

Dr. Watson is to be congratulated on the success of his Music pupils; they all passed, one obtaining distinction.

The following were the successful ones: Adamson i (distinction), Hogg, Scott, Kent, H., and McNeill, R.

---

## THE ANNUAL ATHLETIC SPORTS

The Sports were held this year on 31st May. We were again fortunate in having a fine day. The grounds never looked better. A great crowd of parents and friends was present, and took the keenest interest in the races.

There were some fine finishes. Altogether, the Sports were a success, and our best thanks are due to the officials who helped.

It was very pleasing to have some of our Old Boys as judges. Capt. P. R. M. Wallis, M.C., a former Champion, and Lieut. A. G. Bolton, M.C., and Lieut. T. Corsan were the O.B.'s who kindly officiated.

Then, to show that the soldiers are in the ascendant, we were fortunate enough to have the G.O.C., Major-General Leckie, to present the prizes.

At the conclusion of the Presentation, General Leckie complimented the Boys on their fine exhibition, and said they

MAJOR-GEN. R. G. E. LECKIE, C.M.G.    Denton, Photo

promised well to follow in the footsteps of those O.B.'s who have done so well. He said the School had a record of which it could well be proud. It was such sports as these that had made our soldiers the success they were, and that the athletic fitness of our men had secured us the victory in the Great War.

Our Warden concluded the ceremonies in a brief but suitable address, thanking the General for his presence that day.

The Head Master then called for three cheers for General Leckie.

SPORTS DAY, 1919

At the Annual Meeting the following officials were chosen for 1919:

Captain.....E. Smith  
 Vice-Captain.....G. R. Heggie  
 Hon. Secretary.....T. M. Pelly

This year we have the following Old Colours: G. R. Heggie, W. G. Heggie, R. Wenman, T. M. Pelly, V. Reid.

The bowling will be up to standard; the batting will have to improve.

The 1st XI. will compete for the Gillespie Shield, which means the winners of the City Junior League.

The 2nd XI. will play in the under 16 City League.

We wish both teams every success.

At the time of writing the 1st XI. have again won the Gillespie Shield, whilst the under 16 have not lost a match.

Below is a detailed account of the matches played.

---

#### 1st XI. vs. Christ Church C.C.

Christ Church batted first, and made 128. The School totalled 113 for nine wickets. The result was a draw.

Wenman played a pretty innings, making 32 when he was run out. Pelly played good cricket for 28, whilst Smith knocked up 31 not out.

---

#### 1st XI. vs. Foundation Amateurs

The Amateurs batted first, and totalled 55. The School made 103, winning easily. Wenman again was the top scorer, making 40. Heggie, W. G., hit well for 21. Wenman took

4 wickets for 5 runs; Heggie, G. R., 3 for 9; and Smith, 2 for 11.

### 1st XI. vs. Five C.'s Juniors

This was the first match in the Junior League, Division I. The School won comfortably, 136 to 54.

Bonar played a good defensive game, making 24. Heggie, G. R., and Heggie, W. G., both did well, making 45 and 24 respectively.

Mathews, R. B., and Wenman both bowled well, taking 4 for 10 and 3 for 17 respectively. Bull distinguished himself in the field.

This result was highly creditable, as the Five C.'s have a good batting team.

The scores were:

### 1st XI. vs. Five C.'s

This was the second match in the Junior League. It was regrettable that the Five C.'s only brought eight men. We were without the services of Heggie, G. R., who unfortunately is out of the game for the rest of the season owing to his accident at the Sports. Two innings were played, and the result was a victory for the School, 112 to 71.

### The 1st XI. vs. Five C.'s Juniors

This was the third match in the Junior League.

The School won, and are again the winners of the Gillespie Shield.

The Five C.'s batted first, and they made 61. Wenman bowled well and, on his second venture, Mathews, R., did well.

The School totalled 83. Pelly played a grand, not out, innings of 35, going in first.

The School's fielding was somewhat streaky. Heggie, W. G., certainly kept wickets well.

### JUNIOR LEAGUE—DIVISION II.

(For Boys under 16)

#### The School vs. Victoria Preparatory

The School won easily. The scores were 110 to 21: Albert, 25; Pritchard, 16; McNeill, R., 20, not out; and Halse i, 13, not out.

THE CHAMPIONS AND SERGT.-MAJOR WATSON

Albert and Holt bowled well, taking 5 wickets for 2, and 3 for 11, respectively.

---

### **The School vs. The Collegiate School**

This was a very close match, and the School won by the narrow margin of 8 runs.

The scores were 78 and 70. Dawson was the top scorer with 26. Albert again bowled well, taking 6 wickets for 23; Holt 3 for 23.

---

### **The School vs. St. Michael's**

This was another easy win, the School making 96, St. Michael's 29.

Dawson, 45; Heggie iii, 14; and Albert, 11, were the top scorers.

Albert and Holt shared the wickets: Albert, 6 for 21; Holt, 4 for 4.

---

### **The School vs. Victoria Preparatory**

(Return Match)

The School won easily. The scores were 130 to 29. Heggie iii, 20; and McNeill, R., 45, were the top scorers.

Albert did some great bowling—7 wickets for 9 runs.

---

### **The School vs. The Collegiate**

The Second Division Team suffered its first defeat in this match.

The scores were: Collegiate, 66; The School, 55. Albert, 25; and Dawson, 20. The rest were not able to total the necessary 12 runs. Holt and Albert both bowled well.

The Captain was unfortunately unable to assist.

---

### **The School vs. St. Michael's**

(Yet to be played)

---

### **THE NIPPERS**

A game was arranged for boys under 12 against St. Michael's. The School won.

The scores were: 46 to 19. McDonald, 16; and Wills, 13, not out, were the top scorers.

Wenman ii did some fine bowling, taking 7 wickets for 6 runs; Bryden, 3 for 10.

Scott-Moncrieff, of St. Michael's, took 6 wickets for 16 runs.

A return game was played at Oak Bay, and the School won again: 50 to 15.

Bryden was the successful bowler, taking 6 wickets; Wenman ii took the other three. Wenman ii also made 16.

### CRICKET CHARACTERS, 1919

**Smith, E. (Captain).** He has handled his team well. A useful bowler but too erratic. A good field. His defence in batting is weak; can punish loose bowling.

**Wenman, R.,** is one of the best all-round cricketers we have had. He has a good defence, patience and lots of score-getting strokes. Excellent in the field.

**Pelly, T. M.** Good all-round; keen in the field. Has lots of defence. Must learn to cut and put them away to leg.

**Heggie, G. R.** A good bowler, with an easy action. Useful in the field. He has a very fair defence and hits well.

**Mathews, R. B.** A very useful bowler; medium pace with an excellent length. His batting is improving; must learn to cut. Good in the field. Lacks judgment between the wickets.

**Bonar, R. B.** A useful bat, with good defence. Must learn some strokes. A good field.

**Heggie, W. G.** A good wicket-keeper. Hits well; defence is weak.

**Thomson.** Promises well; lacks confidence in batting, and makes too many bad strokes. At times he has fielded very well. Will bowl well if he will learn that length counts more than speed.

**Bull.** Promises well as a bat; has some good strokes; has been unfortunate. Has done some work in the field.

**McNeill, D. I.** A promising player. Can hit well; must learn to defend his wickets and have patience. A good field.

**Reid.** A useful bat; has a fairly good defence; must learn to cut and drive. Has done some good work at square leg.

**T. G. Mathews (Reserve).** Promises to bowl well; has a good easy action. Must learn to defend his wickets; too eager to make runs. A useful field.

### GYM. VIII. COMPETITION

This annual competition took place much later than usual. The competitors were keen and trained conscientiously.

Sergeant-Major Watson awarded the points.

The principal part of the contest was devoted to physical training. Original stunts were given on the apparatus.

Each competitor was called out to give instructions to the class in some particular exercise. In the majority of cases this was done smartly and with confidence, thus showing a complete knowledge of the work done.

At the end, Mr. Barnacle read out the points awarded to the competitors, and congratulated the Champion for 1919, T. G. Mathews, and those who were successful in winning places on the VIII. for 1919. Mathews is the holder of the Croft Championship Cup for this year.

The successful VIII. are:

	Points
T. G. Mathews (Champion) .....	22
Pelly .....	21½
Henniker .....	20½
Albert .....	20
Heggie, W. G. ....	19½
Bonar .....	19½

### THE SWIMMING CHAMPIONSHIP

This Championship was decided on May 24th at the Gorge. Eight competed.

It was a good race, and resulted as follows: 1st, Mathews, R. B.; 2nd, Thomson; 3rd, Dawson.

Mathews, R. B., again holds the Championship: 50 yards. Time, 32 seconds.

On the same afternoon Mathews competed in the City Open Races, and took a 2nd in the 50 yards dash.

THE JUNIORS, 1919 (Wenman ii, Capt.)

Denton, Photo.

There has been a great improvement this Term in the work of the Corps. The Cadets realize that, in order to become an efficient corps, it is absolutely necessary to have the combined efforts of all. There must be esprit-de-corps. Sergt. A. L. Heggie is deserving of special mention for his excellent work in the Orderly Room. Both his brothers before him held the same position, and he certainly lives up to their good reputation.

The following promotions were made during the Term :

Sergt. D. I. McNeill to Lieutenant.

Sergt. V. Reid to Sergeant-Major.

Sergt. A. L. Heggie to Quartermaster-Sergeant.

Corporal E. Smith to Sergeant.

To Lance-Corporal: Privates Helgeson, Head, Henniker, Albert, Parker, Scott, Alexander ii, Gardner, Genge, Thomson.

### THE ANNUAL INSPECTION

The Annual Inspection was held on Thursday, June 19th, by General Leckie, assisted by Major Belson.

Every Cadet did his utmost, and we consider that the work done was up to standard.

When the Inspecting Officers arrived, the Company was drawn up in column for the "General Salute." The Corps was then inspected.

After this came Company Drill, which was very well done.

The Company was then formed up into a square, and General Leckie addressed the Corps. He reminded the boys that this School has a military reputation, and he was pleased to see that the present boys realize this and are endeavouring

to live up to it. He praised the Shooting Team for its good work in the recent C.R.L. Matches. It was unfortunate that the General had to leave early.

The Inspection was continued by Major Belson.

The Squad Drill was certainly better than last year's.

The Ambulance Section then gave an exhibition, doing some good work in stretcher drill and bandaging.

There was also some extended order work and signalling, both by flags and field telephone.

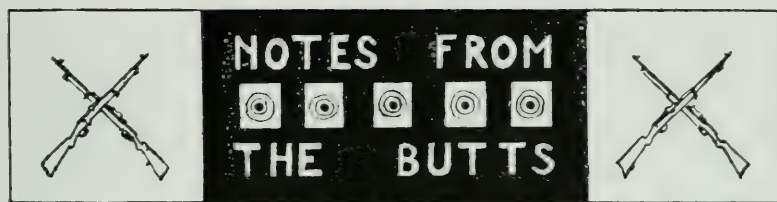

A squad then gave an exhibition of Physical Training, which concluded the work of the afternoon.

Major Belson had not time to address the boys, as he had to hurry to get the boat to Vancouver.

We were all pleased with the work done, and we can await the report with confidence.

Who Said 'Pie Face'.

The Shooting this Term has been at the open range at the 200 and 500 yards. The Canadian Rifle League authorities announced at the eleventh hour that the competition (open range) would be renewed. Sergt.-Major Watson was keen that the boys should take part. Only one practice was possible before the matches began. In fact, some shot in the first match without any practice. It is very gratifying to be able to say that the 1919 Team has done better than any previous Team, and considering the School has been first in Canada on two occasions, the Team of 1919 and Sergt.-Major Watson may well be proud.

The Team wish to take this opportunity of thanking the Sergeant for his painstaking coaching. They feel that their success is due to his instructions.

The following are the scores of the four matches:

3. Set of Three Photos (under 14): Ross.
4. Set of Three Photos of School Life: 1st, Heggie iii; 2nd, Scott.

The Club has had a very successful half year, and a lot of good work has been done, but next time members should get their printing done sooner and avoid the rush for the dark room just before entries close. Many members, being yet in the "embryo" stage, had nothing to enter for the competitions. It is probable, however, that they have learned the pleasure that is to be got out of a "hobby," and my advice is, "Ride your hobby" whenever you can spare the time.

The competition was kindly judged by Mr. Denton, Photographer.

## A BILLIARD ROOM MYSTERY

It was a very stormy night. Raymond Boyd was on his way home from a party, which had been given to announce the engagement of his best friend, Harry Lucas.

The rain was coming down in torrents, and the wind was howling furiously. Frequent flashes of lightning lit up the sky, while the loud peals of thunder shook the earth for miles around.

After walking in this weather for two miles, he decided it would be impossible for him to reach his home, which was yet another four miles distant. Wondering what he would do, he suddenly remembered that he must be near the hunting lodge of Harry Lucas, which was situated in the midst of a neighbouring forest. Quickly making up his mind, he set out for the lodge, and shortly after he had entered the forest he saw the rugged outlines of his objective.

In a few minutes he reached the lodge and having found all doors locked, he managed to get in through one of the windows, which had evidently been left unfastened. He entered a room and from this passed on to another room, which, as he knew, was the sitting room. Here he soon found a lamp, and having lit it, proceeded upstairs and climbed into a bed, which certainly seemed a luxurious thing after a wet and cold walk.

Soon after he had gone to sleep he was awakened by a noise which seemed to come from the billiard room. It was a noise as if two people were playing billiards—click! click! as if two balls were bounding together. It came, then stopped for awhile, then again came the noise—click! click! Then all was silent.

Shaken by this extraordinary occurrence, Boyd got up and decided to investigate. Creeping downstairs he reached the billiard room, which was partitioned off by a curtain. He listened and heard the same click! click! Feeling somewhat nervous, he withdrew and, creeping upstairs, took from his pocket a small revolver and quietly returned to his former position. There he listened for a while, and then quickly shoved aside the curtain. Standing by the wall in front of him was a long, white figure, which seemed to be easily eight feet in length. Frightened in spite of himself, he withdrew, and holding up his revolver, ordered in a sharp voice, "Throw up your hands." But nothing happened. The figure neither stirred nor winced. Just then Boyd pulled the trigger, a sharp report echoed through the room, but the ghostly figure stood motionless as before.

# Partial Payment Method

Surplus funds—however small—can be used  
to purchase solid seasoned stocks and bonds

If you have \$10, \$50, \$100 or \$500 to invest you have two choices: (1) You can invest just the amount you possess; (2) You can use that amount as the first payment on a larger investment. If you choose the latter plan you place yourself under an obligation **to yourself**—an obligation to accumulate within a definite time a specific amount, in addition to the funds you already possess.

Beyond earning its interest your first payment on the securities you select will attract more money, as it were. That is, the first deposit obligates you to save the balance of the amount of your purchase.

Our Partial Payment Method contemplates the purchase of the highest grade securities, eliminating as far as possible the element of speculation.

Our Booklet, fully describing the above plan, mailed on request.

Boyd then ran upstairs, locked his door, and nervously awaited the coming events. After about four hours of patient waiting he saw the sun slowly rising above the horizon, and emboldened by the light, he again descended the stairs and entered the billiard room. Everything seemed all right. But where was the figure he had shot? He looked, and where the figure had stood was the old grandfather's clock, covered by a white sheet, placed there to keep off the dust. Through this cloth was a hole, and on removing it, he found a large hole through the face of the clock.

Boyd now saw it all. "And to think I was afraid! But what were those noises?" he asked himself. On a further investigation Boyd found he had entered by this room, and in his hurry had left the window open. The wind had blown the knob of the blind against the pane, producing a sound similar to that of two billiard balls bounding together.

Having solved this mystery, Boyd left the lodge and returned to Harry's home, who, having heard of the latter's experience, enjoyed a good joke at his expense.
